Copy of letter No Ab 631/44-5 dated 12th October 1944 from the Deputy Commissioner, Mandya, to the Secretary to Government, Law Department, Bangalore

Subject Town Improvement and water supply grants for 1944-45

I have the honour to forward herewith 2 statements showing the grants required by the several Municipalities in this District during 1944-45 and to state as follows -

I Town Improvement grants Mandya Municipality The Municipal Council propose to take up the I stage of drainage work at an estimated cost of Rs 20,000/- and pray for a grant of Rs 10,000/- The comprehensive scheme costing Rs 1,00,545 is proposed to be taken up in 3 stages as the necessary funds cannot be provided in one lump A separate recommendation is also made in this connection for sanctioning the comprehensive scheme As the Municipal Council is prepared to meet moiety of the cost of the I stage, Government may be pleased to sanction the grant prayed for

As regards slum clearance Government have already in their order No L 2764-35/L1 21-45-24, dated 27-9-44 sanctioned moiety of the cost viz, Rs 5100/- A separate recommendation will be submitted to Government after receipt of the report from the President re the acquisition of house properties in Settta street and formation of a circle

The Municipal Council is carrying on the antimalaria work during the current year also As Mysore Sugar Company is not contributing any amount towards the expenditure and as only a sum of Rs 1000 is being paid as grant from Govt funds, I recommend that a sum of Rs 1,000 may kindly be granted out of the Town Improvement grants

Seringapatam Municipality As usual a sum of Rs 2,000 towards the tidying up of the fort area and Rs 500 towards the maintenance of the Gang for removal of rank vegetation may kindly be sanctioned

Malavalli Municipality The Municipal Council have proposed to take up the slum clearance in Bestarageri during 1944-45 at an estimated cost of Rs 27,125 They pray that a moiety of the cost may kindly be sanctioned As regards their quota, the Municipal Council propose to take a loan of Rs 15000/ to meet the balance of the estimated cost

In this connection, I wish to state that this work is pending from a long time and in the interests of the health of the people of Malavalli Town, it is quiet necessary to have the slum cleared As the Municipal Council is prepared to meet moiety of the cost I recommend that Government may be pleased to ~~xxxxxxxxxxxxxxxxxxxxxxxxx~~ sanction the grant prayed for

Nagamangala Municipality - The Municipal Council intend taking up the second drainage scheme at an estimated cost of Rs 5000 and have prayed for an out right grant of Rs 3000 As the Municipal Council with its meagre income cannot afford to set apart funds for improvement ~~xxxx~~ works and as this is a urgent work, I recommend that an out right grant of Rs 3000 may kindly be sanctioned

It is also proposed to acquire some land and form a colony for Adikarnatakas of the place The grant of Rs 1000 prayed for may kindly be granted

Melkote Municipality The Municipal Council propose to take up road repairs, drainage and other improvement works at an estimated cost of Rs 3000/- The income of the Municipality is hardly sufficient to meet the expenditure and as such the Municipal Council cannot set apart funds out of its normal income for improvement works As Melkote is a place of pilgrimage, it is but necessary to keep the town clean and tidy The improvements suggested are necessary As the financial position of the Municipality does not admit and of any funds being set apart for improvement works, I recommend that an outright grant of Rs 3000/- may kindly be sanctioned

Krishnarajpet The Municipal Council have prayed for a grant of Rs 10,00 towards slum clearance and formation of children's park at a total cost of Rs 2,000 As they have agreed to meet moiety of the cost, a sum of Rs 1000/- may kindly be sanctioned

Belakavadi Municipality It is proposed to construct Local Fund Dispensary building at an estimated cost of Rs 9,200 As regards the funds, the president reports that a local sowcar Mr Pattabhirama Setty has come forward to donate a sum of Rs 4000 towards the building and that local contractor Mr T S Gopala Iyengar has promised to construct the building without profit

The District Medical Officer, Mandya has opined that it is very necessary to have a Local Fund Dispensary at Belakavadi as the town has a population of nearly 5000 and that there is no medical help round about 10 miles, anywhere A recommendation has also been made to the Senior Surgeon in Mysore, in the matter. As the Municipal Council has pleaded their inability to provide funds for this purpose, I recommend that the Government may kindly be pleased to sanction a sum of Rs 5200 during the current year

Krishnarajapet Municipality The Municipal Council have prayed for a grant of Rs 1900 for construction of cattle pound, formation of Shandy Maidan and formation of a circle near the Traveller's Bungalow As a moiety of the cost would be met by the Municipal Council, the grant prayed for may kindly be sanctioned

Maddur Municipality - The Director of Public Health has sent an estimate for Rs 18,700 for drainage scheme at Shivapur and has stated that the entire scheme has to be taken up in one stage I recommend that moiety of the estimated cost viz , Rs 9350 may kindly be sanctioned

As regards the water supply grants I recommend that the grants prayed for by Mandya, Krishnarajpet and Nagamangala Municipalities may kindly be sanctioned

With regard to the grant of Rs 515/- to Frenchrocks Municipality, I wish to state that the amount has already been sanctioned by the Government vide G C No L 2060/M1 59-44-2 dated 2-9-1944

The President, Seringapatam Municipality has reported that as the financial position of the Municipality is very unfavourable It is not possible to pay the water maintenance charges and has requested that a grant of Rs 5000/- may kindly be sanctioned It is true that the financial position of the Municipality is not satisfactory and the Municipal Council is finding it hard to provide funds for improvement works and water maintenance charges I recommend that an out right grant of Rs 5,000/- may be kindly be sanctioned during the current year
